2 The local allowance was originally fixed at Rs.100 p.m. as the first Rev. officer viz Mr Sisi Branda Rao had to start a new work and deal with 3 Districts. Mr Narasimha Rao took charge of the work after some experience of the malnad instrument scheme on the practical side had been acquired. When the Kadur & Hassan Districts were constituted into a separate group, it was considered whether the l.a. of Rs 100 sanctioned in the case of Mr Branda Rao should not also be brought down to Rs 50 p.m. but it was decided not to interfere with what has already been ordered.

3. If travelling in the malnad is expensive, the higher rates of allowances admissible for journeys therein ought to be presumed to cover the extra expense.

4. It is yet too soon I fear, to base a recommendation for reward on the ground of "good results" as the Dy Comr has done.

5. The proposal does not appear to be acceptable specially in view of the very heavy charges

6 It is no doubt true that Mr. Ananda Rao Sirsi had some difficulty to contend with, he having had to start the Malnad Improvement Scheme and deal with 3 districts and consequently a local allowance of Rs.10 was sanctioned to him by Government. I agree that it is too soon to grant an additional allowance to - Mr. Nanaswami Rao on the basis of good work done by him and that it is also not desirable to increase the expenditure on account of the Malnad Improvement Establishment, which is already sufficiently high.

7 But there are other reasons which seem to deserve consideration:

Mr Ananda Rao Sirsi is also beg to the Central Committee, Dewell 28/4

(1) The total extent under the jurisdiction of each Officer is approximately the same.

(2) The responsibility and work of the Officers do not appear to be different.

(3) The higher rates of travelling allowance on account of journeys in Malnad tracts are admissible to both the Officers.

8 The above reasons seem to warrant an equal treatment being accorded to both the Officers.

9 The initial stage having passed, it is not

clear why no reduction was made in the allowance - sanctioned to Mr. Ananda Rao Sirsi, when the work was divided between two Officers. If reduction at this stage is not considered desirable, Mr. Nanaswamy Rao seems justified in submitting the present claim. - Cause for discontent will vanish, if their allowances are made equal; otherwise an invidious distinction will have been made.

Reduction may be made when Mr Sirsi vacates the shift & another is appointed. I believe there is an order to this effect. It is pointless discussing proposals to me. 30/4

15 I am not aware of the circumstances under which it has been thought fit to post another Officer in the place of Mr. Ananda Rao Sirsi, as Special Revenue Officer.

16 In November last, Mr. Ananda Rao Sirsi prayed for two months privilege leave combined with 6 months furlough. As it was just then the working season, leave was not granted, as the urgency for it was not clearly made out and it was thought that the Malnad work would suffer by the transfer of this Officer so soon after his appointment to that important charge.

17 In January last, when we toured in Shimoga District, the Officer's work and reports were considered satisfactory under the circumstances which he explained and he had assured considerable zeal and enthusiasm in his work in the future.

18 I do not know if he has now applied for a transfer or only for the grant of leave prayed for then.

19 Unless there are good grounds for a change, I think a transfer at present may not be expedient in the interests of the Malnad Improvement Scheme.

20 If the Dewan is for giving him a transfer now, I am agreeable to either the first or the second alternative suggested by the Secretary. Should however the Dewan and the other Members of Council consider some other Officer as more suitable than Mr. Appanna Iyengar or Mr Narayan Rao I shall

Mr.Matthan having suggested the desirability of transferring Mr.Ananda Rao Sirsi from the Malnad Improvement work and posting another officer in his place, the matter was considered in Council on the 2nd July 1915. The Council are of opinion× that Mr.Ananda Rao Sirsi may be posted to the charge of the Shimoga Sub Division and Mr. Appanniengar to that of the Special Revenue Officer, Shimoga.

2. In this connection, the Council consider that the local allowance of Rs.100 allowed to Mr. Ananda Rao Sirsi may be reduced to Rs.50 for the ordinary duties of the Shimoga Revenue Officer, to correspond with the local allowance of the Revenue Officer for the Kadur and Hassan Districts, an additional allowance of Rs.25 per mensem being sanctioned for the duties of Secretary, Central Committee. Accordingly Mr. Appanniengar may be given an allowance of Rs.75/- per mensem for both the above mentioned duties.

Bangalore.

Sir,

I have the honor to forward herewith for the favorable consideration of Government, a representation from Mr. R. Nanaswami Rao, regarding the enhancement of his local allowance by Rs. 50/-.

The area, scope and the nature of his work in the Kadur and Hassan Districts are exactly the same as that of Mr. Sirsi Ananda Rao in Shimoga and I consider it but fair that he should get the same allowance as Mr. Sirsi Ananda Rao. It is a matter of common knowledge that travelling

in the malnad especially during the mon-soon is very expensive and attended with great inconvenience and trouble.

Mr. Ramaswami Rao has brought a great deal of personal enthusiasm to bear upon the work entrusted to him and the good results achieved so far is largely due to his tact and energy.

I therefore strongly recommend that his request for an extra local allow-ance of Rs. 50/- be granted to him from the date he entered upon his duties as Special Revenue Officer.

Sir,

Deputy Commissioner, Kadur District.

Sir,

Adverting to Government Order No. 3546-9 /Sany.51-14 dated 3-11-1914, sanctioning an allowance of Rs.50/- per mensem to me during my employment as Special Revenue Officer, Malnad -- Improvement Scheme, I have the honor to submit a respectful ---- representation to Government for the grant to me of an allowance of Rs.100/- per mensem for being in charge of the Malnad Improve -ment operations in the two districts of Hassan and Kadur as is given to Mr. Ananda Rao Sirsi, who is in charge of the Malnad Improve --ment operations in the Shimoga District.

Soon after assuming charge of my office, I found that to get into close touch with the villagers and find out for my --self the local wants and carry on the operations in the spirit in which the Government sanctioned the Malnad Improvement Scheme it was absolutely essential that I should be constantly on the move visiting some of the worst portions of the malnad and seek

the,

the co-operation and advice of the Amildars and the local inhabitants. A statement of the works in progress under my direction is annexed hereto and I venture to think that the present state of progress is in no small measure due to my frequently visiting these outlying villages. Considering the high cost of life, the difficulty of securing conveyances and the great wear and tear entailed on account of the ---- hilly nature of the malnad to which my work is wholly con--fined, I beg to submit that an allowance of Rs.100/- per mensem is not too much to ask for.

I beg therefore to request that under the foregoing circumstances, the Government be pleased to consider my case favourably and grant the enhanced allowance with effect --- from the date of my assuming charge of my office.

I have the honor to be,

Sir,

Your most obedient servant,
